

# 1<sup>ST</sup> PHYSIOLOGIC PACING IN KRAKOW WORKSHOP JUNE 2, 2023

Dear Colleagues,

We would like to invite you to the **1<sup>st</sup> Physiologic Pacing in Krakow Workshop** organized by the Electrophysiology Laboratory of University Hospital in Krakow. This event will take place on 2nd June 2023, during **POLSTIM** - the XXIV annual conference of the SRS — Heart Rhythm Section of the Polish Cardiac Society.

Two live-cases and pre-recorded cases transmitted from our EP lab and world-class faculty give chance to showcase the physiologic approach to cardiac pacing. His bundle and left bundle branch pacing techniques and the hybrid approach for resynchronization in heart failure (LOT-CRT) will be demonstrated.

We look forward to seeing you in Krakow!

## Program directors:

*Prof. Marek Jastrzębski, MD, PhD*

*Dr. Paweł Moskal, MD, PhD*

Honorary Patronage: *Marcin Jędrychowski*, University Hospital Director
